and what have you

by BOB CRAIG

On another page in this issue is a column "Highlights and Sidelights from Austin" which includes a story about the State Highway Commission issuing an order that only American made materials should be used in Texas road and bridge building.

The commission now finds itself involved in an international relations entanglement and the order has been held for further study.

It seems that attorneys representing the governments of Japan, Belgium and West Germany countered with "international trade is a two-way street" and if Texas expects to export cotton and other products of the state it must also import from these countries.

Naturally the representatives of the Texas steel industry favor the ban on foreign materials as "a forward step for Texas", but the people who depend on exporting their goods probably are not quite so happy with it.

This whole problem of importing foreign goods is not so simple when viewed from both sides.

If we do not help to bring the friendly nations of the world up to a point where they can compete in the world trade market, they will either be ripe for communism or we will have to support them with aid.

It seems to us that the biggest problem facing America today is the attitude that somebody owes us a living and that we can live in our own little world and expect others to help us keep our high standard of living while they do without.

The continuing rising prices of American goods—and for the most part poor quality—will someday bankrupt this nation's economy.

The current hassle in Congress over the increase in the minimum wage scale is another step up in our inflationary spiral. For the time being, at least, it looks like the increase has been checked by the house.

The wage boost proposed by Presidential Candidate John Kennedy would likely be followed by at least a 25 per cent increase in the cost of everything produced in this country.

Although most of the nations workers are receiving more than \$1.25 per hour, when the man on the bottom gets a raise the man above him wants one too. Any increase in costs always is passed on to the consumer.

We do not pretend to be smart enough to have the answer to the problem, but it does seem obvious that every effort must be made to check inflation or we may see our high standard of living go down the drain.

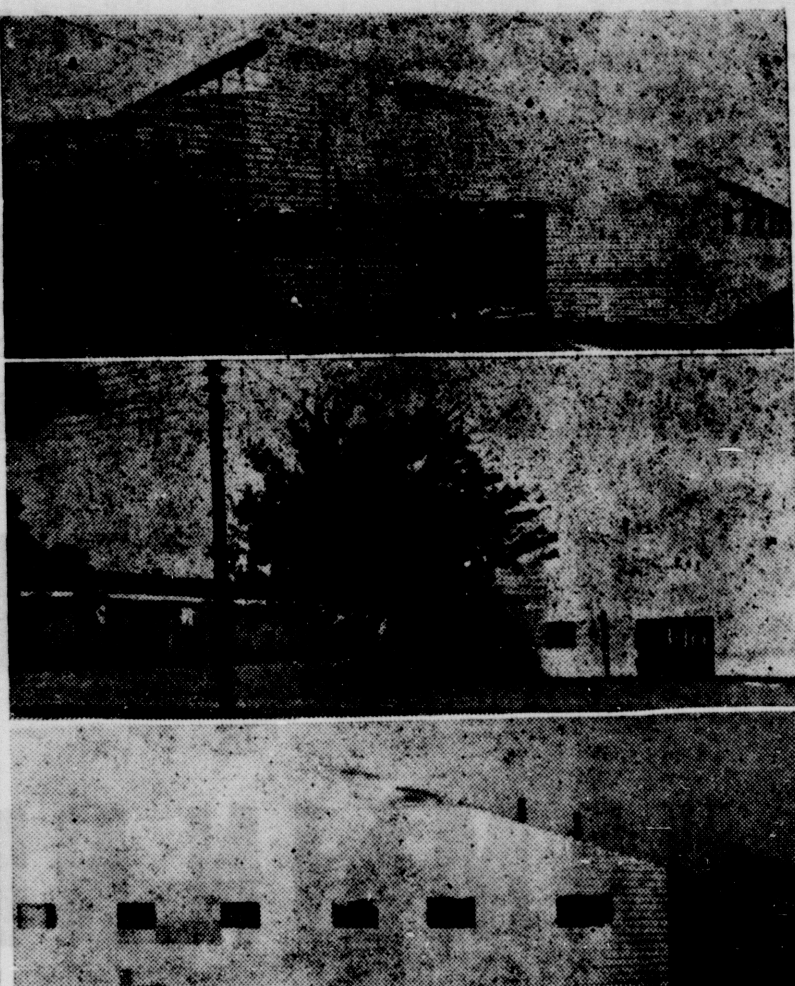

One doesn't need a garage for those little foreign cars—just the box they came in.

Friday night the Pied Pipers will travel to Cisco to open the 1960 football race with the Lobos. The Pipers, who had a good season last year, look real good this year and with the proper support of the town could have a real fine team.

The boys who come out for football, whether on the first team or not, work real hard and the least the town can do is support them by attending as many games as possible.

When you make the trip to Cisco, remember that the Labor Day week end is just getting started and traffic may be a problem. Be sure and leave in plenty of time and drive carefully.

See you at the game.

COUNTY FAIR'S NEW SHOW BARN—The Jones County Fair's one new building is pictured above as construction is being pushed to have it ready in time for the show, September 9-10. The building to the left of the show barn in the middle picture is the Pioneer Hall which will house the exhibits.

Jones County Fair Chairmen Making Final Plans for Show

Livestock entries in the second annual Jones County Fair started coming in last week with a Luaders 4-H boy, James Whilite, being the first to get his entry card into the office of Kirby Clayton, fair secretary.

Young Wilhite will show a young Angus bull.

Superintendents and assistants for the eight divisions of this year's exposition have completed the entry lists for the show to be staged on the new fair grounds in Anson September 9-10, it was announced by R. S. Spraberry, president of the association.

Construction is well underway on the big 60x240 livestock show barn with the structure expected to be roofed this week.

Water was piped into the building courtesy Frank Ben-

ham Plumbing Company.

Other arrangements for the fair include contracts for concessions, including rides, cold drinks, food, snow cones, popcorn, etc., Spraberry said.

Entry cards have been mailed to vocational ag teachers, 4-H club leaders and home demonstration club officers throughout the county. Individuals can secure the entry cards from their teacher, leader, officer or sponsor, or from the extension agents in Anson.

Departments for this year's fair and the superintendents include the following:

President of J. M. McDonald Co. Dies

Donley Williams, manager of the J. M. McDonald Co. here, received word this week that the president of the company, Byron Hooper, passed away last Friday afternoon. Funeral services were conducted in the First Presbyterian Church in Hastings, Nebraska.

Williams was notified of the death by J. M. McDonald Jr.

23 Blocks Ready For Paving Project

Some 23 blocks of Hamlin streets will be ready for paving when the bids are open at the City Hall Friday afternoon, according to reports from the Civic Affairs Committee of the Board of Community Development headed by Melvin Scott, director.

Scott said that in addition to the 23 blocks already committed, some eight blocks have one or two property owners not yet ready to have their streets paved.

Hamlin street paving program got started several months ago when Eddie Jay contacted property owners in an 11 block area and asked the City to extend time-payment plans to those needing financial assistance. The City Council accepted the proposal and asked the Hamlin Jaycees to make initial survey to determine the number of blocks ready for paving.

In response to the City's request, many Jaycees started a door-to-door canvass and soon reported some twenty blocks would be ready for paving, but many of the blocks had out-of-town property owners who would have to be contacted.

The Jaycees then requested the BCD to write letters to absentee owners and ask their cooperation. Most of them have responded favorably and have put up the money to cover their portion of the paving cost.

The BCD office was then used to co-ordinate the paving program and handle legal work for the time payment plan and to keep up with lots in each block as interest built up.

As more interest in paving continued, the Jaycees' manpower was soon spread too thin to cover the whole town and it was decided to concentrate on the streets who had enough support to get the paving program underway before bad weather set in. The Jaycees will continue canvassing the whole town and get other streets ready for paving by spring.

Jerry Howard, president of the Hamlin Jaycees, said it isn't too late to get paving on other streets, if arrangements are made prior to the arrival of the contractor. This may take another week or two but the work must be completed by mid October due to weather conditions.

Engineering has been completed by W. W. Greif of Snyder, project engineer, and specifications have been written up and are available for study in the BCD office.

The type structure used will be solid cement base with asphalt surface with gravel. The Portland Cement Association writes that soil-cement is lower than competitive material built for the same traffic and soil conditions, has greater strength, does not develop pot-holes or ruts because it can bridge over small areas of weak subsoil and lasts longer with less maintenance than other paving of comparable cost.

Mayor John Howard Jr., estimated that work should get underway within a week to ten days after the contract has been awarded.

Rev. Clyde Cook, pastor of the Trinity Church, Stamford, is moderator and James Easterwood is clerk for the association.

PRIZES ANNOUNCED FOR GOLF TOURNAMENT HERE THIS WEEKEND

Jim King, chairman, has revealed the list of prizes to be awarded to the winners of the Lakeview Golf Club's second annual Invitational Golf Tournament to be held here this weekend.

Players in the eight man championship flight will compete for a set of irons and the runner-up will receive a pair of golf shoes. Winners of the other eight man flights will receive a set of woods, runner-up a pair of golf shoes. Consolation winners in all flights will receive a putter.

Qualifying for the championship flight will begin Saturday morning, other flights may either qualify by Saturday night or mail or call their scores in.

Around 50 golfers are expected to enter the 54 hole match play tournament that will start Sunday afternoon with 18 holes and end Monday with 36 holes.

The course will be in excellent shape for the play, according to King.

The Fifty-fourth Annual Session of the Jones County Baptist Association will be held at the First Baptist Church in Hamlin Tuesday, September 13.

The morning session begins at 9:30 a.m. and continues until noon. The afternoon session starts at 1:15 p.m. The supper will be served at 5:30 p.m. and the evening service is set for 7:00 p.m.

Rev. Clyde Cook, pastor of the Trinity Church, Stamford, is moderator and James Easterwood is clerk for the association.

Parents of all school children are invited to attend this initial meeting when the superintendent, principals, teachers and members of the local school board will be introduced.

There will be no business session but the yearbooks will be distributed.

Hostesses for the social hour following the meeting will be Mes: Neil Laminack, Garland Preston, Edward Gardner, and J. O. Ballard.

A hour and one-half to two hour Barbershop Harmony Show will be sponsored by the Hamlin Lions Club Tuesday, September 27, at 8 p.m. in the Hamlin High School Auditorium.

The show will be presented by the Abilene Chapter of the SPEBSQSA, Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, and will feature several quartets and a chorus of 20 men.

Tickets will be 75 cents and 25 cents and will be available from local Lions.

The Pied Pipers will journey to Cisco Friday night to tangle with the Cisco Lobos to kick off the 1960 football scramble. Coach D. C. Andrews is planning to start a 172 pound average in the line and 160 pound average backfield.

Since this is the opening game for both teams, very little is known here about the Lobos except that they will probably field one of the best lines in the school's history.

The Lobo line is expected to average 185 pounds with 190-pound junior guard Jim Sitton rated as a stand-out. Sitton is named by many as one of the best linemen in the state.

The starting backfield for the Pipers will be led by returning starter 160-pound Mike Bond at quarterback Frankie Lee, 185-pound junior will carry the fullback duties. Halfbacks will be Robert Brannon, 150-pound senior and returning defensive starter, and Joe Ford, 145-pound senior.

The starting line will be built around four returning offensive starters. Starting at L.E. David Bonds, 180-pound senior returning defensive starter; L.T. Neal Branscum, 190-pound junior; L.G. Rayford Williams, 160-pound junior returning starter; C. Robert Woodruff, 165-pound junior; R.G. Gary Williams, 170-pound returning starter; R.T. Gary Cooper, 190-lb. senior returning starter; R.E. Jerald McCanles, 150-pound senior returning starter.

Jerald McCanles, 150-pound senior returning starter.

Probable Cisco starters in the

term senior Kenneth Kinney, a 155-pounder, while junior squadman Don McCrary, 175, will be fullback. Halfbacks probably will be Terry Don Bostick and Rex Miller, a pair of 155-pound speedsters.

Biggest man in the line will be Bruce Speegle, a 200-pound senior tackle and a letterman. With center Darrell Holt, 190, Sitton, 190, and Bill Midkiff, 195, the Lobos will have plenty of power up front.

Registrations for classes in tap dancing and ballet will be taken Thursday, Friday and Saturday so that schedules may be worked out for classes for three year olds through school age boys and girls.

Mary Baucum of Abilene will conduct classes in Hamlin if as many as 25 students register.

Mrs. Baucum taught preschool age children here last year but will include older children in instruction this year.

All those interested in having their children included in this program are asked to call Mrs. W. L. Hunter Jr., Mrs. Ed

Crane on Monday.

School to Start Next Week in Hamlin

September 10, 1920

In another week the school bell will summon our children to come to school. How do your children feel towards the time of the approaching term of school? Some look forward to it with anticipation of a long term of pleasure, the thoughts of the lessons and the teachers and the association of their friends and the regular school hours are a joy to some children. And it should be a pleasure, a privilege which belongs to the young is to be happy. It is the parents and the teacher's duty to keep these little folks and young people happy. A child's school life is the first impression it receives from the outside world and it is a lasting impression which will remain with them through life. School

days are either happy days or a tragedy in the life of our children, a pleasant memory or a very unhappy one.

It is the responsibility of every parent and teacher to encourage their child for the approaching term.

Many applications are coming in from young men and women who desire to work their way through college. These young people are capable boys and girls that would be a good example to be in any home of Hamlin.

These are young people of clean habits and worthy company for the children in your home. They are desirous of an education but cannot pay their room and board. If you would like to have one of them in your home call the Nazarene College.

25 YEARS AGO

Several Business Changes Made

September 6, 1935

September, as usual, brought its wave of business changes, shiftings, and tear-ups and removals, and adjustments in Hamlin.

First of last week the B. Hassen Store was keeping the avenue hot, shifting from the location just south of Waggoners to the Day building combine with the F. N. Hassen store which has been there for over a year.

The Hassen Store removal left a good location vacant and as was expected it was soon contracted and so another change of business took place.

Miss Meppie Russell, as Hamlin has always been accustomed to call her (we should say Mrs. Cleve Dunn) closed a deal for the Vogue stock of ladies ready-to-wear and this firm ceases in Hamlin while Mrs. Dunn has had the Hassen store building just fitting up ready for business. We note also that Mrs. Frank Johnson has changed from the Strass Store, to this place, as Saleslady.

Dr. and Mrs. Turner Bynum entertained Saturday evening with a swimming party and picnic supper in Sweetwater

complimenting their house guest, Miss Louise Puckett, of Fort Worth.

Those enjoying this pleasant occasion were Mr. and Mrs. Mac Brundage, Mr. and Mrs. Bill Braymer, Mr. and Mrs. Weldon Griggs, Mr. and Mrs. Holly Toler of Austin, and Arlie Cassle.

AUSTIN, Texas — Summer weeds are being mowed down on the school yards over Texas this week. Classrooms are being aired, and teachers are mapping lesson plans.

Some teenagers — probably thousands — are ignoring all these tax-paid preparations being made for their benefit. Deliberately or unknowingly, they're getting ready to make one of the worst mistakes of their lives . . . not finishing high school.

Gov. Price Daniel has issued a special plea to youngsters to "go back to school and remain there until graduation."

To drop out of school, the governor reminded, is to cheat yourself out of a probable \$50,000 in future income. This is the average difference be-

tween what a high school graduate and an eighth grade graduate will earn in a lifetime.

At the peak of his earning power, the average high school graduate will earn 27 per cent more than the average eighth grade graduate, said the governor.

Public concern is based on statistics showing that between 1935-56 school year and graduation of the 1958-59 class, more than one third of Texas high school students dropped out.

In 1955 a total of 118,272 students enrolled in the ninth grade in Texas public schools. When that class graduated in 1959, only 71,855 still were there. About 39 per cent had dropped out.

Governor Daniel reminded that in an age of swift technical advancement, it is harder and harder for an unskilled worker to find a job. He called on public and private organizations to join in encouraging young people to stay in school. Both the individual and the community enjoy a better life, he said, where more people have good educations.

SMALL WORLD PROBLEMS—In deciding what kind of materials to use in building Texas roads and bridges, the State Highway Commission found itself plunged headlong into the whirling pool of international relations.

This summer the Commission issued an order that only American-made materials should be used in Texas roads and bridge building. Texas industrialists, particularly steel officials, cheered, but representatives of foreign nations lodged a storm of protest at a hearing before the commission.

As a result, the order has been held up for further study. Decision will come probably late in September.

Representatives of the Texas steel industry called the ban on foreign materials "a forward step for Texas." They said use of imported products brings loss of jobs for Texas workers and loss of taxes from Texas businesses. Furthermore, they argued, the imports are only slightly cheaper and are frequently of inferior quality.

Attorneys representing the governments of Japan, Belgium and West Germany countered that "international trade is a two-way street." In short, they said Texas cannot expect to continue to profit from selling its products abroad unless it is willing to buy from other countries.

A spokesman for an international trade group declared the imports ban would violate the spirit of a treaty between Japan and the U. S.

MEDICAL AID URGED—Next legislature has been urged

ford and teacher of science. Marvin will prove a valuable asset to the home faculty.

The marriage of Miss Mildred Irene Traylor, Dallas, daughter of the late Mr. and Mrs. C. A. Traylor, to John Vernon Howard Jr., was solemnized Tuesday evening at the Highland Baptist Church. Dr. Julian Atwood officiated. The bridegroom is the son of Mr. and Mrs. J. V. Howard of Hamlin.

to pass a law providing for payments for the medical care of the needy aged.

Housing sub-committee of the Governor's Committee on Aging has released its report which points particularly to the discrepancy between old age pensions and nursing home costs.

Maximum old age assistance is \$6 a month, said the sub-committee, while the average charge of a licensed private nursing home is \$159 per month. Medical payments, said the committee, would be a help in closing this gap.

In 1958 a constitutional amendment was approved giving the legislature authority to set up such a program. It would cost approximately \$10,000,000 in state money, which would be matched with almost twice as much in federal funds.

These and related problems will be discussed at a statewide meeting of the Committee on Aging in Austin Sept. 7. Lending importance to the study are statistics showing the rapid increase in the number of older persons. During the past 60 years Texas population has tripled, but the population over 65 has multiplied by ten.

BALLOTS UP TO COUNT—IES—It's up to county election boards to decide the order in which parties will be listed on the general election ballots.

Attorney Gen. Will Wilson ruled that counties do not have to list the parties in the same order in which the secretary lists them on a sample ballot. Secretary of state sends this out to list the certified nominees for state office.

Republican officials have been urging that county officials draw lots to decide whether Republicans or Democrats shall get the preferred first column on the left.

INTERGRATION OPINION ASKED—Dr. J. W. Edgar, the State Commissioner of Education, has asked the attorney general for an opinion on whether the Houston public school system can continue to receive state aid if it follows a federal court order to intergrade a grade a year, beginning in the first grade. State law denies aid to schools intergrading without voter approval. Houston voters turned down intergradation.

TETANUS SHOTS URGED—State Health Department officials are urging Texans to have tetanus shots and keep their immunity up to date by getting periodic boosters. Lockjaw, which the shots prevent, has not disappeared. Fifty-two persons, 24 of them infants, died of lockjaw in Texas last year.

HIGHWAY FUNDS ANNOUNCED—State Highway Commission has announced plans to spend \$188,550,000 on the interstate highway program. An estimated \$160,912,000 will be spent on 584 miles of controlled access highway and \$27,638,000 on buying right of way.

TEXAS DAIRY PRINCESS CHOSEN—An 18-year-old dairy farm girl from Sandia, Texas, Miss Louise Knolle, is 1961. She replaces Marilyn Car Dairy Princess of Texas for penter of San Antonio, 1960 winner.

Miss Knolle was selected from three finalists in the Fifth Annual Leadership Awards Program of the American Dairy Association of Texas. They competed in Austin for the state honor.

She will represent Texas in the 1961 American Dairy Princess contest.

A girl, Connie Jo, was born August 24 to Mr. and Mrs. Joe Allen Dean. She weighed 6 lbs. Mrs. J. V. Howard of Hamlin.

Judae Crow Settled Land in 1900's

The "mystery farm" picture published two weeks ago has been identified by a member of the family, Wortham Crow, as the Judge L. Crow Farm, 11 miles south of Hamlin.

Mrs. Johnny Waldrop was first to call the Herald and she will receive the free six months subscription.

The Crow farm was settled by the late Mr. and Mrs. Crow following their marriage in 1900. Mrs. Crow was the former Dora Prather and they were married in Neimda. The land had never been improved when Mr. Crow purchased it from several sources. There was only a dug-out to live in the beginning. Later they built a two room house and then later added a room. In 1939 this structure was torn down and the present home was built.

Mrs. Crow's hobby was collecting rocks. He had rocks from 18 states in a rock wall and other rock structures about the place. Some of his collection was used in building the rock home.

Mrs. Crow died June 2, 1946 and Mr. Crow passed away November 11, 1952. The family has carried in the operation of the farm which is well known for its peach orchard. The main crop in addition to the peaches is peanuts. A son, Robert, does all the farming of the peanuts. A grandson, Wortham Crow Jr., has taken care of the orchard for the past two years. The orchard has been in existence for more than 50 years.

Mr. and Mrs. Crow were parents of seven children, five of whom are now living. The children were Mark, the oldest, who died May, 1951, in Seminole; Eric of Lueders, Wortham of Anson; Alfred, who died in October, 1939, Wichita Falls; Robert of Route 3, Hamlin; Mrs. J. D. Stuckey or Ohio and Mrs. Seth Lawrence of Anson.

DEMOCRATIC LEADERS PLAN DINNER FOR 'JOHNSON DAY'

Democratic leaders from throughout the 17th congressional district gathered in Abilene Tuesday of this week for a luncheon at the Windsor hotel. The meeting was hosted by J. Ed Connally, executive chairman of the Democratic party of Texas. Main business of this mid-day get together was the distribution of the tickets for the \$50.00 per plate fund raising dinner to be held September 17th, in Rose Field house on the campus of Hardin-Simmons University, as the highlight of "Lyndon B. Johnson Day" activities scheduled for September 17.

In making a report to the district leaders Connally told them invitations to attend the dinner had been mailed to all elected officials of the state of Texas. The state chairman also said that invitations had been mailed to members of the steering committee, members of Congress, county chairman of the 17th Congressional district and appointees of the state. In all according to Mr. Connally 2,500 letters plus, have been mailed inviting people to Abilene for the Democratic affair.

In parts of his report Connally

brought out the fact that early response has been gratifying with several of the letter recipients having already mailed their check in. Connally stressed the point that this fund raising dinner is a crucial part of the "LBJ all the way" campaign. He recalled that in 1956 enthusiasm for Stevenson was lacking in this district until the Democratic party held the fund raising dinner and it was after this the people of the area campaigned diligently enough, that the 17th district carried for Stevenson. According to Connally, "This will be more important than the dinner of 1956." He added, "funds will be spent at the discretion and under the direction of Senator Johnson. I'm sure the funds will be spent in Texas."

FOMBY AND FULLERTON VOWS EXCHANGED FRIDAY IN EL PASO

Sarah Kay Fomby and Henry Fullerton were united in marriage in the chapel of the Trinity Methodist Church in El Paso Friday morning at 9:30 o'clock. The bride is the daughter of Mr. and Mrs. E. B. Fomby of Hamlin and the bridegroom is the son of Mrs. H. B. Fullerton of Cisco and the late Mr. Fullerton.

Rev. Jack E. Wallis, pastor, read the double ring ceremony.

The bride, who was given in marriage by her father, wore a street length sheath dress styled with scoop neckline, cap sleeves and was accented with a shirred white chiffon cummerbund and an overdrape of chiffon. Her shoulder length veil of silk illusion fell from a tiara of seed pearls.

Her bridal bouquet was a cascade arrangement of gardenias and stephanotis with white satin streamers.

The wedding breakfast was at the Desert Hills Inn following the ceremony.

For travel to points in the Northwest, the bride wore a light royal blue dress with white accessories. She wore the corsage from her bridal bouquet.

The couple have established residence at 2401 North Mesa, El Paso. The bride will be attending Texas Western College as a senior music major and Fullerton is band director in the El Paso Public Schools.

The bride was graduated from Hamlin High School in 1958. She attended McMurry College in Abilene and was a member of the Abilene Symphony Orchestra. At Texas Western, she was a member of the college band, choir and orchestra. She is a member of the El Paso Symphony Orchestra.

Fullerton is a graduate of Abilene High School, Hardin-Simmons University and North Texas State College where he received a master's degree. He is a member of the El Paso Symphony Orchestra.

Freshman FHA Girls Were Guests At Party Thursday

Freshman girls of the Hamlin Future Homemakers of America were guests at a "come as you are" party Thursday at 7:00 a.m. in the home of Mrs. James E. Simmons.

The girls were served brownies and punch as they arrived. Janice Richardson, Jennie Law, Nina Jean and Nell Waldon served. There were 76 members and sponsors present.

The pajama clad freshman girls presented a style show as a stunt for the group.

New officers were introduced. They are Mary Smith, president; Janice Richardson, vice president; Pat Green, secretary; Jennie Law, song leader; Carolyn Ray, treasurer; Linda Bingham, pianist; Sunny Tea-

gue, parliamentarian; Suzanne Jenkins, sergeant-at-arms and Nell Waldon, public relations. These officers will be installed in September.

Miss Richardson, vice president and program chairman, gave a preview of the coming year's work.

Surprise Party Honors on Birthday

By GLADYS WILLIAMS

Miss Pearl Johnson was honored with a surprise birthday party Saturday afternoon, by a group of friends and relatives in the home of her sister, Mrs. Ernest Kiser.

Gifts were presented to the honoree and refreshments of fruit punch and cake were served.

BRANSCUM-STEELE UNITED IN DOUBLE RING CEREMONY

Patricia Dan Branscum, the daughter of Mr. and Mrs. D. L. Branscum, 339 West Lake Drive, Hamlin, and Rowland Gene Steele, son of Mr. and Mrs. Virgil Steele, Route 3, Hamlin, were united in marriage Thursday evening in the First Baptist Church with Rev. Royce Campbell, pastor of the Calvary Baptist Church, conducting the 7 o'clock nuptials.

Double ring rites were recited before a background of greenery with four candelabra and two arrangements of gladioli completing the altar setting.

Wedding music was presented by Mrs. L. B. Baker, organist and Sammy Scifres, cousin of the bride, soloist.

Mrs. L. B. Bruner of Hamlin was matron of honor for her sister, Linda Bingham was bridesmaid and Sharon Bruner and Janice Groom, both nieces of the bride, were junior bridesmaids.

Flower girls were Kay Andrews and Mary Lou Woods.

Lynn Brannon and Jayne Carol Turner were candlelighters.

Ring bearers were Ted Martin of Longview, nephew of the bridegroom, and Mark Carpenter of Paducah, nephew of the bride.

Ushers were Jay Cunningham and Neal Branscum, brother of the bride.

Groomsmen were Dean Taggart of Grandfalls, Michael Carpenter of Paducah, and Don Allen Bruner, both nephews of the bride.

Given in marriage by her father, the bride was attired in a gown of candlelight satin and chantilly lace which was designed by her sister, Mrs. Bruner. The fitted bodice featured a portrait neckline and the princess skirt terminated in a chapel length train. A pearl tiara held her veil of illusion. She carried a white Bible, a gift from the groom, which was topped with a white orchid surrounded with stephanotis.

Attendants dresses were of silk organza. Mrs. Bruner's dress was of white and the bridesmaids were of shrimp organza with brief matching hats and shoes. They carried fan shaped arrangements of lace and shrimp gladioli with streamers.

The reception was held in the church Fellowship Hall. The table was covered with net over white satin and was decorated with the bridal attendants' bouquets.

Mrs. Wesley Groom of Abilene and Mrs. Eddis Carpenter of Paducah, both sisters of the bride, and Mary Margaret Turner, Joyce Bringham, Candace Thompson and Barbara Butler were in the houseparty.

For a wedding trip to Cloudcroft, New Mexico, the bride chose a two piece suit of toast shantung with beige accessories. Her corsage was the orchid from her bridal bouquet.

The couple will reside in Abilene where Steele will be a senior at Hardin-Simmons University. He is a 1957 graduate of Hamlin High School and is a math major and a member of the Cadet Officers Club, Math Club and Science Club at HSU.

The former Miss Branscum is also a graduate of Hamlin High School, having graduated in 1959. She was a member of the

band, Library Club, F. H. A. She was employed by Southwestern Bell Telephone Company before her marriage.

The rehearsal dinner was held Wednesday evening at 6 p.m. in the home of the bridegroom's parents.

Mrs. Leldon Clifton, Mrs. Floyd Clifton Honored With Tea

A tea in the home of Mrs. Tate May Saturday afternoon honored Mrs. Leldon Clifton and Mrs. Floyd Clifton, who are new residents of Hamlin. Their husbands have recently become associated with the Farmers and Merchants National Bank.

Guests were welcomed by Miss Lennie Greenway; Mrs. May presented Mrs. Floyd Clifton and Mrs. W. C. Russell introduced the guests to Mrs. Leldon Clifton.

The tea table was covered with a white imported embroidered Swiss linen cloth and centered with a tall fan arrangement of white and pink gladioli and huge white mums. Other arrangements of pink and white and also an arrangement of bronze daisies completed the setting.

Members of the houseparty were Mmes. Lewis Yates, Clyde Newberry, Gene Greenway, T. A. Jones, Jimmy Hale and James Wright.

Hostesses for the event were Mrs. May; Mrs. Russell, Miss Greenway, Mrs. Earl Smith, Mrs. W. T. Johnson, Mrs. Faye Adkinson, Miss Buna Rountree and Mrs. Joe Ford.

Out of town guests were from Abilene, Merkel, Roby, Royston, Rotan, Stamford and Haskell.

There will be twenty-five ministers and a choir from Ouachita Baptist College making the Crusade and tour.

After the completion of the Evangelistic services, the group will depart from Glasgow to London, England; from London to Paris, then to Zurich, Switzerland, Milan and Rome, Italy; Athens and Corinth, Greece; Carlo, Egypt; and Beirut, Lebanon, where the tour of the Holy Land will begin.

The group will depart from New York, April 4, and return for the first Sunday in May, 1961.

EXTENSIVE CLEAN-UP AND REPAIR PROGRAM
COMPLETED BY SCHOOL DURING SUMMER

An extensive clean-up and repair program has been carried out by the Hamlin Public School system during the summer months in preparation for the fall opening of school. When the students return to school August 29 they will also find a great amount of equipment has been added to the facilities.

The kitchens of the primary and high school lunch rooms have been painted and new bake ovens have been added.

All of the outside doors in the senior and junior high buildings have been painted as well as all of the concrete floors throughout the school system. Other floors have been finished and waxed.

New window screens have been placed on the primary building and new metal windows and screens have been installed in the class rooms of

the vocational agriculture building. The roof on this building has also been repaired.

Bleachers were added to the east side of the high school gym and the football stadium has been painted and re-numbered. Seventy-two steel lockers were added in the football field house and in the High School Gym. These lockers were bought through the Army Surplus program for \$1.00 each.

The high school auditorium curtains have been re-lined and cleaned.

Equipment added during the summer included a new bus which is a regular program of the school.

Two sewing machines were added for the homemaking department.

The school spent \$500 for

teaching aids for the first five grades. This included six globes for the elementary school, one set of "Our Wonderful World" for DePriest, four sets of "World Book" and three sets of "Compton Encyclopedias" added in the fourth, fifth, and sixth grades, one set of "Junior Britannic" for junior high school.

The following items were purchased under the National Defense Act with the school paying one-half of the cost:

Foreign language laboratory for the high school.

Teaching aids for mathematics classes and the high school science department.

Never knew how hard it was to drive a bargain until I bought a second-hand car.

Mrs. Ola Eakens, mother of Mrs. Darwin Barnes, returned to her home in Wewoka, Oklahoma, Tuesday. She has been visiting her daughter here for the past few weeks. Mr. and Mrs. Barnes carried Mrs. Eakens home and returned Thursday.

Mr. and Mrs. James Maberry have a son. He was born August 25 and weighed 7 pounds and 12 ounces. He had not yet been named.

FAIRVIEW NEWS--

By MRS. ELMER JOINER

After an absence of two Sundays the pastor, Rev. Doyle Combs, was in the pulpit at the Fairview Baptist Church Sunday.

Mrs. Joe Ford spent from Monday through Friday in the Stamford Hospital. Mrs. Ford was in church Sunday and is feeling much better.

The Joe Fords reported that their little grandson, Abilene, Ronnie Herrington, was recovering nicely after having his adenoids and tonsils out.

Mr. and Mrs. W. O. Gray visited with Mr. and Mrs. Fred Rosenbaum Thursday night.

Mr. and Mrs. Fred Rosenbaum visited Mr. and Mrs. Mel Jones Friday night.

Visiting in the Riddle home Sunday were Mr. and Mrs. Kenneth Morrison, Sarah and Kenny from Abilene.

Ambrose Gray of Post, uncle of W. O. Gray, visited the Grays Thursday.

Joe Ford ate dinner with Mr. and Mrs. O. L. Jenkins Tuesday.

The W. W. Goodwin family went to Spur over the weekend

to attend the Goodwin reunion, which is held annually the last Sunday in August at the park in Spur.

Mrs. John Beauchamp was reported as doing satisfactorily after having additional surgery on her eye in Hendrick Hospital in Abilene. It was learned last week that she does have vision in her eye and did not have any infection but more surgery needed to aid her vision. Her many friends are fervently hoping that she will soon be recovered.

Mr. and Mrs. Elmer Joiner attended a picnic Friday night at the park in Hamlin for the Good Neighborhood Home Demonstration Club.

The Fairview church will have the regular family night celebration next Thursday night at 7:30 at the guest hall at Mid West Cooperative here in Hamlin.

Mrs. Ed Croan, local Winn's Store manager, will present the program with magic. This is a banquet presented for the Sunday School leaders by the Training Union leaders, as a result of a contest. The Training Union lost and must eat on the floor and wear the costumes of beggars. It is known as a Beggar-King Banquet. The winning team, the Sunday School leaders, will come in their Sunday Best. All members are urged to come and enjoy the fellowship of this family night.

The Doyle Combs family spent Sunday with Mr. and Mrs. Elmer Joiner. Also visiting the Joiners Sunday afternoon were Mr. and Mrs. Runt McCoy.

The Combs family visited the Rev. R. A. Guthrie family Sunday afternoon. The Guthries left Monday for new work in Arizona. They leave behind many friends who wish them all the success possible in this new endeavor.

The men in our community are trying to combine maize this week, but have had some difficulty because of the green heads.

We are glad to report that G. W. Wainscott is feeling much better and able to be up and around again. Mr. Wainscott is ninety years old but you can't keep him down.

Beth, Darrell and Rickey Craig spent Wednesday night with Mr. and Mrs. W. W. Goodwin and Linda.

R. E. DOUGLAS FARM last week's Mystery Farm

Mystery Farm Owned by R. E. Douglas

Last week's "mystery farm" was identified as the R. E. Douglass farm near Sylvester. The farm has been in the family

for two generations having belonged to Mrs. Douglass' parents, the late Mr. and Mrs. J. P. Maberry.

Douglass and his wife, Lenora, have lived on the farm for our years. They have a total of 190 acres of land with 90 of that in cultivation.

The farm was first settled in 1900. It was bought from the late Mr. Cy Gray of Sylvester and Mrs. Gray.

Mr. and Mrs. Douglass were married May 31, 1936, in the home in which they are now living. They have four children, they are Donald Ray of Big Spring; Kenneth Gerald, Gary Ross, and Mickie Carol, all of the home.

Donald Ray is married to the former Dorothy Herbst and they have a one year boy, Ronald Ray Jr., who is the Douglasses' only grandchild.

Cotton, alfalfa and feed crops are produced on the farm. They also raise cattle and hogs.

Douglass lists his hobbies as hunting and fishing. He said that he had killed from 1500 to 2000 rattlesnakes in the past four years. He also goes to New Mexico to hunt in the fall and goes to Old Mexico to fish. He said he usually brings back plenty of fish for all the friends, neighbors and relatives.

About the time you catch up with the Jones, they refuse.

FARMERS REMINDED OF 16-YEAR AGE MINIMUM DURING SCHOOL

DALLAS—Farmers who hire workers for harvesting fall crops were reminded today that the Federal Fair Labor Standards Act sets a 16-year age minimum for the employment of children in agriculture during school hours.

The reminder came from Regional Director William J. Rogers of the U. S. Department of Labor's Wage and Hour and Public Contracts Divisions here, the agency which administers this law.

"Today and in the foreseeable future, the need for youngsters to meet even higher educational standards is beyond question," he said. "The child's chance for success in later years can depend on whether he enrolls in school this fall."

Mr. Rogers pointed out that children may lawfully work on farms before and after school hours or on weekends, but that their place is in

the classroom when school is in session in the school district where the child is currently living.

"The law protects the children of migratory workers as well as local children," he said. "The only exception to the law is the child working exclusively for his parents or guardian."

An age certificate showing that the youngster is at least 16 is the best protection the farmer can have against inadvertent violation. In Texas, these certificates are available, as a public service, from Texas Employment Commission offices.

He added that the Fed. Child labor law applies to farmers who engage in interstate commerce or ship their products in interstate commerce, either directly or to firms who ship them across State lines in their original form or as an ingredient of another product.

Noble B. Canida Resigns Position At DePriest School

Noble B. Canida, social science and music teacher at Oscar DePriest High School in Hamlin, has resigned here to accept a similar position in the Woodson High School in Abilene. He had been at DePriest for four years with two years of service in between.

A graduate of Texas College, Tyler, he is doing further study North Texas State Teachers College.

While at DePriest his music groups have made a great showing. Last year his group won first place in state competition at Prairie View College, Prairie View, Texas.

Mrs. Hattie Faye Collins of Fort Worth will replace Canida in the local school.

Mrs. Collins is moving here from Fort Worth where she has taught for three years.

She is a graduate of Mary Allen College, Crockett, Texas, where she received a bachelor of arts in music. She is now doing work in music at Prairie View College.

DePriest Student Council Elects New Officers for Year

During the past three weeks politics have played a great role in the activities of the student body of the DePriest High School. There were 18 students running for office in the student council. The candidates for each position ran so close in the first election that a run-off had to be held. The winners were as follows: Hardy Nabors, president; Lorenza Sheton, vice president; Jack Breedlove, secretary; John R. Davis, assistant secretary; Barbara Nell Johnson, treasurer and Robert L. Jones, reporter.

This is the second staff of officers for the student of this school, President Nabors asked the student body to get behind this group of officers and help them to make this a banner year at DePriest. He reminded them that the state meeting would be held in Houston, the first week in March.

UNIQUE SCIENCE-ADVENTURE DRAMA COMING TO THEATRES

A remarkable excursion into the fourth dimension — TIME — is depicted in "The Time Machine." George Pal's new science-adventure drama for Metro-Goldwyn-Mayer starting Sunday at the Hamlin Theatres.

"The Time Machine" grossed more than any feature in six years in its recent engagement at the Hollywood in Ft. Worth. Filmed in wide-screen and color against both realistic and strikingly imaginative settings, and with the unique photographic effects for which five time Academy Award-winner Pal is noted, the new picture is based on Wells' famed novel concerning an Englishman who invents a machine which takes him into the future.

The Time Traveler is played by Rod Taylor, with other top roles enacted by Alan Young (who starred in Pal's previous production, "Tom Thumb"), Sebastian Cabot, Tom Helmore & MGM's new find, blonde Yvette Minniew. The latter plays a girl depicted as living in the year 802,701 A. D., and one of the fascinating aspects of "The Time Machine" is its view of what people will look like, dress like and behave like in 800,000 years from now.

It is in the Victorian England of 1889 that The Time Traveler undertakes his daring fourth-dimensional adventure through time, surpassing the speed of light and projecting audiences into the fantastic existence of the world of the future. When he first stops, moments later, two hours have passed. Another pull on the lever and it is 1917, the period of World War I. He pushes on through time — 1940, London being bombed during World War II—1966, when he barely escapes an atomic attack. He races through an era of engulfment by lava, finally to emerge in what seems a veritable Paradise in the year 802,701 A. D.

This is the land of the future, inhabited by the blonde Eloi people and their deadly foes, the evil, half-man, half-ape Morlocks, cannibalistic monsters with green hair and red eyes, who live in underground caverns and prey on the enslaved Eloi.

It is here that The Time Traveler had his most thrilling adventures with the lovely Weena (Miss Mimieux) whom he saves from the hands of the Morlocks in a thrilling climax taking place in a blazing cavern resembling Dante's Inferno.

His pre-med work was done at Southern Methodist University where he received his Bachelor of Science degree.

Army Offering Travel to Enlistees During September

The US Army Recruiting Service offers travel to young men enlisting during the month of September. Sgt. Norman R. Hughes, local Army Recruiter, announced today.

"Your travel is guaranteed under a unique new Army program called "Choose it Yourself", which allows you to choose assignments to either of two major geographical areas covering most of the Free World. Under this program you can choose to serve in the Far East where we have units in Japan, Korea, Guam, and the Philippines; or you can choose Europe where personnel are stationed in Germany, France, and Italy. "No matter which area you choose the Travel experience you'll gain there is bound to be exciting," the Sgt. said.

Also under this program, young men may choose to train in Infantry, Armor, Field Artillery and be assured of schooling or on the job training in any of these three vocational fields will prepare for a position in the Army's national defense program.

This program is offered in addition to the normal enlistment programs given by the US Army Recruiting Service. "Young men who enlist during September," the Sgt. said, "will be given eight weeks of basic training, then eight weeks of advance training before traveling to the overseas area of their choice."

Men who are interested in travel under the Army's Choose it Yourself program may see Sgt. Hughes at the US Army Recruiting Station, 900 North Third Street each Monday thru Saturday, or they may call him collect at OR 2-5665, Abilene.
